Maintenance Notes & Updates

Updates: Village 1 Exterior Painting and Village 3 Roof Replacement are coming to an end. The painters will shift over to Village 3, then new gutter installation will follow.

Green Earth will be taking over the landscaping contract from Bright View on November 1.

Cox Pools will be coming out later in the fall to drain the pool, then take samples of the plaster and concrete to determine why the cracking in the V6 Pool is happening. They said the pool will be completely replastered.

As always, if you have an emergency or urgent request, call maintenance right away, please leave a message if the call is not answered.
At night, contact the security guards, and they will relay to our standby guy. Any routine work please put in the work request box at your corresponding village.

Adopt-A-Wing Info: Any wings that don't have a set date will get an alert when the date is set up.
